prices that will enable every woman in St. Louis to buy the Most Beautiful Draperies at Half Price and Less.

The great furniture firm of Scarritt-Comstock, so well known for their reliable and high-class goods, finding that their greatly increasing furniture business demanded all the room they could give it, decided with reluctance to give up their splendid Drapery Department, conceded to be the best and finest in St. Louis. At Scarritt-Comstock's invitation we inspected the sumptuous stock of magnificent Tapestries, grand Silks, Gordon Repps, beautiful Velours, elegant Tapestry Panels, exquisite Renaissance and real Arabian Door Panels, superb East India Goods, splendidly embroidered Silks, fine Oriental Swords and other weapons and curiosities. We saw a most glorious collection of the rare, the ornate, the artistic; also saw an unusual opportunity to place magnificent goods, usually only within the reach of the very wealthy, into the possession of thousands of our customers for a mere pittance, and bought—yes, bought—every yard, every piece, every article, everything in their entire Drapery Department, and everything is yours at a price that means, with the advanced prices on all these goods, a saving of fully 75 cents on every dollar's worth of goods bought. We're enthusiastic about this sale—can't help ourselves—for we've secured for you the grandest and finest Draperies carried by any St. Louis house.
